General terms of Top Private Hospital Cover Plus

All applications for nib Cover must be accompanied by proof of identity and any other relevant information we require.

- Subject to the terms of this Policy document we may, at our discretion, refuse an application to join nib as an Insured Person, as described below.
 - We have the right to refuse an application to join a Cover until the Premiums for the minimum period relevant to the application(s) have been paid.
 - We have the right to refuse an application to join a Cover that has been closed for sale.
 - We have the right to refuse an application to combine a Cover currently for sale with a Cover that has been closed for sale.
 - We have the right to refuse an application to move a Cover that has been closed for sale to a Cover currently for sale.
 - We have the right to refuse an application(s) to move to another nib Cover.
- If we refuse an application, we will provide a reason for the refusal to the applicant.

Duty of disclosure

The Policyowner and all Insured Persons had a legal duty to disclose everything they knew (or ought to have known) which would have influenced the decision of a prudent insurer whether to accept the Policyowner's application, and if so, on what terms.

All information given by, or on behalf of, the Policyowner or any Insured Person must be true, correct and complete. The Insured Person must have told us about any changes to the information given to us before any Commencement Date, Effective Date or Join Date (as applicable) of this Policy. If the Insured Person failed to do so, or if any of the above information was not disclosed to us or was not true, correct and complete, we can cancel this Policy from the Commencement Date, Effective Date or Join Date (as applicable) and not pay any Claims after those dates. We may retain all the Premiums paid, and any Claims paid by us after those dates may be recovered from the Policyowner or the Insured Person.

Financial statements

The Policyowner or any Insured Person can obtain a copy of nib nz limited's financial statements for the last reported financial year by writing to nib nz limited, PO Box 91630, Victoria Street West, Auckland 1142.

Period of cover

Your Cover starts from the Commencement Date, Effective Date or Join Date (as applicable) shown on your Acceptance Certificate or Renewal Certificate (whichever is the later). This is subject to any applicable Waiting Period.

14-day free-look period

A 14-day free-look period applies to all nib Covers.

The Policyowner can receive a full refund of Premiums if they decide to cancel the Policy within the first 14 days – providing no Claims have been made during that time, and that the cancellation is requested in writing. This period starts three days after we send you your Contract of Insurance. During this time, should you decide the Policy doesn't meet your needs, please send written confirmation to us and we will cancel the Policy and refund the full Premiums paid, providing no Claims have been made.

Health cover reviews

It is the Policyowner and all Insured Persons' responsibility to understand what is covered and what is not covered by their health insurance Policy. We recommend you review your health insurance at least once each year. We are happy to discuss your Cover – you are welcome to call us on **0800 123 nib** (0800 123 642).

nib recognised providers

Claims are only eligible for Health Services carried out by an nib Recognised Provider.

We will pay for Benefits under Top Private Hospital Cover Plus, if the Insured Person attends an nib Recognised Provider, who must:

- meet all the minimum criteria outlined by us relating to their education, qualifications and active membership of any governing body specified by us; and
- be in Private Practice; and
- be recognised by us.

In the rare instance that we do not recognise a provider, for example in the case of overcharging or suspected fraud, we will advise the Insured Person that there is no cover for treatment carried out by that provider. If the treatment itself is eligible for Cover, we will be able to Pre-approve treatment with another Recognised Provider.

Prosthesis schedule

For certain Surgeries requiring Prosthesis, we will pay up to the maximum amount as defined in the Prosthesis Schedule. This schedule is reviewed annually and the Policyowner and all Insured Persons must refer to the most up-to-date list, to understand what they are covered for and the limits that apply.

Key information found on nib's website

Our website provides key information such as our Prosthesis Schedule and Claim forms. All the relevant information can be found by visiting **nib.co.nz**

Who is covered

This Policy provides Cover for an Insured Person who is eligible to receive Health Services funded under the New Zealand Public Health and Disability Act 2000 (or its successor under any subsequent legislation) at all times.

We may request to see originals or certified copies of each relevant Insured Person's documents (including visas or work permits in the Insured Person's passports, birth certificates or driver's licences).

We reserve the right to cancel the Policy or the relevant Insured Person's Cover if the relevant person no longer meets the criteria (see Cancelling the policy or cover on page 15).

Dependent children

A Dependent Child will become subject to adult Premium rates on the next Policy Anniversary Date after they reach age 21. We will automatically continue to cover that person on this Policy as an adult Insured Person and deduct the additional Premium based on their age, gender, smoking status and Excess for the Cover, from the same payment source and at the same frequency as this Policy, unless you advise us otherwise. If the smoking status is not known, smoker Premiums will apply.

Unless otherwise approved by us, a person under 18 years of age is not eligible to be a Policyowner. A Dependent Child under age 18 must be accompanied on the Policy by at least one adult aged 18 or older as the Policyowner, or have his or her parent or legal guardian as the Policyowner.

Who can view and change the policy

The Policyowner is the primary account holder and has full and total authority to make changes to the Policy and make Claims enquiries about anyone on the Policy. If the Policy has more than one Policyowner then all the Policyowners must consent to any changes.

Unless specified otherwise, changes can be made at a Policy Anniversary Date, or on the nearest equivalent date in the month that corresponds with the Policy Anniversary Date, depending on the change request being made.

Before any changes can be made, the Policyowner must give us at least 30 days' prior notice in writing (by post or email) before the relevant date as specified above.

If the change results in a change of Premium, this will be adjusted from the next billing date.

Adding a partner, dependent child, parent or grandchild

The Policyowner can add a Partner, Dependent Child, parent or grandchild onto their Policy at any time, providing the Insured Person meets the eligibility criteria (see Who is covered on page 9) and the Insured Person (or their parent or legal guardian if under 16 years old) consents to be added.

The Policyowner and any new Insured Person to be added must follow the relevant application process. Please call us on **0800 123 nib** (0800 123 642) for more details.

Cover for a new Insured Person added will start from the Effective Date or Join Date (as applicable) shown on your Acceptance Certificate or Renewal Certificate (whichever is the later), subject to any applicable Waiting Period.

We will charge an additional Premium for each Insured Person added.

Removing an insured person

An Insured Person can be removed from this Policy:

- at the written request of that Insured Person. He or she has the option, within 30 days of removal, to arrange a separate Policy on terms determined by us without providing any evidence of his or her current state of health; or
- at the written request of the Policyowner (see above).

Changing the insured person's smoking status

If the smoking status is not known for any Insured Person, smoker Premiums will apply.

If any Insured Person (aged 21 years or over) changes their smoking status (including any tobacco or any other substance), they must complete an nib smoking status questionnaire and send this to us. To request a copy of this questionnaire, please call us on **0800 123 nib** (0800 123 642) or visit **nib.co.nz**

An Insured Person's smoking status can be changed at any time during the Policy Year, and your Premiums will be adjusted accordingly. We will require at least 30 days' prior notice before the change will be applied.

Adding or removing an EveryDay Cover Policy

The Policyowner can add an EveryDay Cover to the Policy at any time in the Policy Year for an additional Premium, by following the relevant application process. Please call us on **0800 123 nib** (0800 123 642) for more details.

The added EveryDay Cover will start from the Effective Date or Join Date (as applicable) shown on the Acceptance Certificate or the Renewal Certificate (whichever is the later).

The Policyowner can remove an EveryDay Cover at a Policy Anniversary Date. We will require 30 days' prior notice before the change will be applied.

Changes in contact details

The Policyowner must notify us of any changes in contact details of the Insured Persons covered under the Policy. Where possible, they must provide an email address. To update your details at any time during the Policy Year, please call us on **0800 123 nib** (0800 123 642) or write to us by post or email.

We will process the change

Once we have accepted the changes, we will send the Policyowner a new Acceptance Certificate or Renewal Certificate (whichever is the later) that will show the changes.

Commencement of cover

Any Insured Person will be able to Claim for the Benefits and / or Health Services provided by the Cover once Waiting Periods have been served and provided that all Premiums have been paid up-to-date.

Waiting period

Waiting Period means a period of time after the Commencement Date, Effective Date or the Join Date (as applicable), for which no Claim will be paid for anything that happens during this period.

Waiting Periods vary according to the Benefit and / or Health Service being provided.

The following Waiting Periods apply to each Insured Person:	
Removal of unerupted or impacted teeth	12 months
Pre-existing Conditions ■ This excludes Pre-existing Conditions that are never covered (see Loyalty Benefit – Pre-existing Conditions on page 44)	3 years

Waiting periods when changing hospital cover

For any change in Cover, the Policyowner must follow the relevant application process. Please call us on **0800 123 nib** (0800 123 642) for more details. The application process must be completed fully and accepted by nib before the new Cover can start.

We recognise Waiting Periods already served on a Cover comparable to Top Private Hospital Cover Plus only. Please check with us to find out which Covers are comparable.

For Insured Persons changing their nib hospital Covers with nib, the following Waiting Period rules apply:

New Benefits and / or Health Service and / or hospital Categories	No change in Benefits and / or Health Service and / or hospital Categories
Waiting Periods will apply from the Effective Date.	Waiting Periods apply from the Commencement Date, Effective Date or Join Date (as first applicable) prior to the change.

Transfer to a new policy

If for any reason an Insured Person needs to transfer to a new Policy with the same level of Cover, Waiting Periods apply from the Commencement Date, Effective Date or Join Date (as applicable) of the original Policy.

Excess

- The Excess amount is detailed on the Acceptance Certificate or Renewal Certificate (whichever is the later) for each Insured Person, and applies to each Insured Person every Policy Year.
- The Excess is not payable by nib, and cannot be met by withdrawing from any other Benefits on your Policy.
- The Excess will be deducted from eligible Claim payments for each Insured Person from the Commencement Date or Join Date (as applicable) until the Excess amount is reached.
- The Excess will be deducted from any eligible Claim payments for each Insured Person from every Policy Anniversary Date thereafter.

For example: The Excess amount is \$500.

1. The Insured Person submits an eligible Claim for \$200. No payment is made by nib to the Insured Person. Instead, the Excess balance is reduced by \$200, with \$300 remaining before the Excess amount is reached.
2. The Insured Person then submits another eligible Claim for \$400. This time, \$300 is not paid by nib, but this eliminates the remaining Excess balance; and \$100 is paid to the Insured Person.
3. Any further eligible Claims submitted after the Excess amount has been reached will be paid in line with Benefit Limits until the next Anniversary Date, when the Excess amount is deducted again from eligible claims.

Changing your excess

The Policyowner can request to increase or decrease the Excess for any Insured Person within six weeks prior to the Policy Anniversary Date.

The Premium will be adjusted in accordance with any Excess change.

For a decrease in Excess, Waiting Periods must be re-served from the Effective Date of the decrease, but only in respect of Claims relating to Pre-existing Conditions that were present prior to the Effective Date.

Maintaining continuous cover

It is important to maintain continuous Cover with nib to ensure you are able to continue to Claim Benefits and to avoid having to re-assess all the Insured Persons' health and to serve the Waiting Periods again if they decide to re-join later. See your Acceptance Certificate or Renewal Certificate (whichever applies).

- If the Policy falls into arrears of Premium, all the Insured Persons will be unable to Claim.
- After 90 days of non-payment the Policy will be cancelled (see Cancelling the policy or cover on page 15).
- It will be at nib's discretion to determine whether the Insured Persons will be covered for any Claims requested during a period of non-payment.
- If the Insured Person is no longer eligible to receive Health Services funded under the New Zealand Public Health and Disability Act 2000 (or its successor under any subsequent legislation), we reserve the right to cancel their Cover (see Who is covered on page 9).

Resuming your policy or cover from suspension

- If the Policy or Cover for an Insured Person has been suspended under the Loyalty Benefit – Suspension of Cover it must be resumed within 90 days of the suspension end date, otherwise the Policy or Cover will be cancelled.

- If the same Cover is resumed before the suspension period ends, we will reinstate the Cover without enquiring into the affected Insured Person's health.
- If the Waiting Periods have not been fully served, the remainder of the Waiting Periods must be served once the Policy or Cover is resumed.
- If the Policy or Cover for an Insured Person is not reinstated at the end of the suspension period, we will write to the Policyowner at their last known address and give them 90 days within which to pay any arrears of Premium. If they do not pay the arrears within the 90 days, the Policy or Cover for the affected Insured Persons will end.

Cancelling the policy or cover

Unless otherwise permitted by us, any cancellation of a Policy and / or Cover for an Insured Person must be authorised in writing by the Policyowner. The Policyowner must give us at least 30 days' notice of the cancellation.

We reserve the right to cancel the Policy and / or Cover for an Insured Person, if:

- the Premiums are in arrears by more than 90 days after the due date for payment; or
- the Policy is not resumed following a suspension; or
- an Insured Person is no longer entitled to receive Health Services funded under the New Zealand Public Health and Disability Act 2000 (or its successor under any subsequent legislation); or
- the last Insured Person covered by this Policy dies; or
- any Insured Person breaches the terms of the Policy; or
- any information provided by, or on behalf of the Policyowner or any Insured Person when arranging this Policy or when making any changes to it, is not true, correct and complete; or
- an Insured Person covered by the Policy has obtained or attempted to obtain an advantage, monetary or otherwise, whether for themselves or for any other Insured Person, to which they are not entitled under this Policy document; or

- an Insured Person has engaged in offensive or intimidating behaviour towards employees of nib.

If we cancel this Policy or Cover for an Insured Person, any Premiums paid may be retained by us. If we have already made any Claims payments we may recover these from the Policyowner.

Your premiums

Premiums must be up-to-date to keep the Policy active so that the Insured Persons listed on the Policy can continue to Claim Benefits.

- Where the Premium rate change takes effect during the Policy Year, the change will be applied at your next Policy Anniversary Date.
- Premiums can be paid in advance for up to a maximum of 12 months.

Available payment methods and frequency

Payment periods are set out below and must be paid in advance, unless otherwise permitted by us:

- where Premiums are paid by direct debit from a bank, building society, or credit union account – weekly, fortnightly, monthly, quarterly, half yearly and yearly.
- where Premiums are paid by credit card payment from a MasterCard or Visa – monthly, quarterly, half yearly and yearly.

nib payment service agreement for direct debits

We will give the Policyowner at least 30 days' notice in writing if the amount of the direct debit is increased as a result of a Premium rate change.

- Any information about the nominated account will remain confidential, except where required to complete direct debits with the financial institution.
- When the due date is not a working day, we will debit the account on the first working day after the due date.

It is the Policyowner's responsibility to:

- ensure the nominated account can allow direct debit;
- ensure there are enough funds available in the account to make a payment on the due date;
- tell us if the account details change, or if the account is transferred or closed;
- arrange a different payment method if we cancel the direct debit arrangements;
- ensure all account holders of the nominated account sign the direct debit authority form; and
- update us if the credit card details change, for example: new expiry date.

The Policyowners can change the direct debit arrangements in line with the terms and conditions of our direct debit authority, at least 10 calendar days before the next due date.

The Policyowner must give instructions to stop or alter the direct debit details in writing.

We reserve the right to cancel direct debit arrangements if the nominated financial institution dishonours direct debits, and to arrange a different payment method with the Policyowner.

The details of the direct debit arrangement are contained in the direct debit authority form which the Policyowner submits to us. We will rely on those details to process payments until told otherwise.

Not all accounts held with a financial institution are available to be drawn on under the bulk electronic clearing system. The Policyowner should check with their financial institution if they are unsure whether their account can facilitate direct debits.

The Policyowner may cancel or stop a drawing with their financial institution.

If the Policyowner has a direct debit inquiry, or believes a debit has been made incorrectly, please contact us immediately on **0800 123 nib** (0800 123 642) or write to:

Important information about your premiums and benefits

The Premiums are calculated according to the rates applying from time to time for the Policy selected.

The Premiums automatically increase when an Insured Person reaches a specified age. Any changes to the Premium rates and age related steps apply across all Insured Persons with this Policy.

No changes will be made to your individual Policy alone, based upon the individual claims experience of your Policy.

Premiums and Benefits for this Policy are not guaranteed. We may alter the Premium rates (including age related steps) and / or Benefits and / or the terms of cover (including 'What is not covered' and 'Glossary of important terms') during the life of the Policy, but only in the following circumstances and only to the extent necessary to take these circumstances into account:

- if the law that applies to the Policy changes (including changes in taxation); or
- if our costs increase as a result of medical inflation, as determined by us; or
- in order to increase the level of cover under a Benefit or to add a new Benefit; or
- to allow for an unexpected and significant increase in the type and / or level of claims under the Policy, which are not sustainable long term and which threaten its commercial viability; or
- to align this Policy with a newer version of the same type of policy we subsequently offer with similar (but not necessarily the same) Premiums and / or Benefits; or
- to take into account unexpected and severe public health threats e.g. a pandemic.

We will give the Policyowner 30 days' prior written notice of any alteration. The Policyowner retains the right to cancel this Policy at any time.

We want to ensure your valuable cover continues if a Premium deduction advice is returned to us as gone / no address. In these circumstances, we will continue to make deductions in accordance with our Premium rates until we are advised otherwise and the Policyowner authorises us to stop the deductions.

Claims

It is important that you read and understand this section of your Policy document as it contains important information about Pre-approvals, Claims and payment.

- Benefits will only be paid for Claims which meet nib criteria.
- For any Pre-existing Conditions, see Loyalty Benefit – Pre-existing Conditions on page 44.
- All Claims are subject to your Contract of Insurance and What is not covered on page 47.
- We reserve the right to recover any money paid in error, obtained fraudulently, or by any other means contrary to the Policy or law.
- It will be at nib's discretion to determine whether the Insured Person will be covered for any Claims for Health Services carried out during a period of non-payment.
- Claims are only eligible for Health Services carried out by Recognised Providers.
- Any Claims must have all the relevant information submitted with the Claim form (see Supporting documentation for pre-approval and claims on page 23).
- If we require further information in order to assess the Pre-approval request or Claim, all necessary requests must be complied with.
- We recommend all Claims be submitted within 12 months of the Health Service date, as no inflation adjustments apply to any Claim payments.
- The Claim must relate to an Insured Person.
Reimbursement must be made to a Recognised Provider, Policyowner or Insured Person, regardless of whether any other person has paid the account or bill.

- In cases where the Insured Person is deceased, Benefits can only be made to the Recognised Provider, remaining Policyowner or the deceased Insured Person's estate.
- The Policyowner and each Insured Person must comply with this Policy in full before any Claim is paid.

Choosing your provider

The nib First Choice Network is a group of Recognised Providers that provide Health Services within our First Choice price range.

- If you choose a Recognised Provider from the nib First Choice Network for that Health Service, your Claims will be covered for 100% of eligible costs, less any Excess.
- You can still choose to receive treatment from a Recognised Provider that is not part of the First Choice Network, however you may not be covered for 100% of eligible costs.
- We may separate First Choice Network Claim costs into two components:
 - Your Recognised Private Hospital charges (if applicable)
 - The Surgical Cost Grouping, which consists of your Registered Specialist, anaesthetist and any Prosthesis costs.
- If either the Recognised Private Hospital or Registered Specialist is not a First Choice Provider for the Health Service provided, then the maximum we will pay for Claims associated with each component is the Efficient Market Price (EMP) determined individually for that component.
- Using a First Choice Provider gives you certainty that you will be covered for 100% of the approved associated Health Service costs included on your Policy up to the Benefit Limit.
- Not all Health Services are included in the First Choice Network. To find out whether a Health Service is included or which Recognised Providers are part of the First Choice Network visit nibfirstchoice.co.nz/directory.

- We will pay 100% of costs, up to the Benefit Limit and less any Excess, for Health Services provided by Recognised Providers that are part of the First Choice Network.
- If a Recognised Provider is not part of the First Choice Network, and the network applies to that Health Service, then the maximum we will pay for that portion of the treatment is the EMP.
- Any costs above the EMP must be paid by the Policyowner or the Insured Person. We recommend that the Policyowner and all Insured Persons ensure they understand all the potential costs before undertaking any Health Services with a Recognised Provider that is not part of the First Choice Network.

Always contact nib before going to hospital

Before going to Hospital, please contact us to check that the procedure will be covered under this Cover.

Pre-approval

The Insured Person must seek Pre-approval prior to undertaking any Health Services, to understand what is covered under your Policy.

We reserve the right to decline any Claim that has not been Pre-approved.

Pre-approval will take up to five working days from the date the request is received by us, unless further information is required or insufficient information was initially supplied.

A Pre-approval request can be made by you or a Recognised Provider on your behalf. If we issue a Pre-approval for a Claim, we will notify the Policyowner or the Insured Person and send the Policyowner a Pre-approval notification. If the request has been made by a Recognised Provider we will also notify them. The confirmation of the Pre-approval is valid for three months from the date of issue recorded on the correspondence, unless the Cover is cancelled with effect from a date on or prior to the treatment date in which case the Pre-approval notification will not be valid.

If we do not accept the Pre-approval request, we will let the Policyowner or the Insured Person know.

Please refer to our website nib.co.nz for our Prosthesis Schedule which details the maximum costs that we will pay for certain individual Prosthesis (see Prosthesis Schedule on page 8).

Efficient Market Price (EMP)

The Efficient Market Price is the maximum amount we will pay for a Health Service provided by a Recognised Provider that is not part of the First Choice Network, when the network applies to that Health Service.

We determine the EMP based on:

- health providers' charges for a particular healthcare service;
- our own Claims statistics; and
- our experience of the national and regional New Zealand health market.

The EMP is subject to change at our discretion.

- For Pre-approved Health Services, the EMP payable will be determined as at your Pre-approval date.
- For Health Services that have not been Pre-approved, the EMP payable will be determined as at the treatment date.

Changes in network status

A Recognised Provider's inclusion in the First Choice Network for a particular Health Service may change from time to time and further Health Services may be added to the network.

- If you hold a valid Pre-approval for a First Choice Provider we will honour the original terms of the Pre-approval, regardless of whether that Recognised Provider is still a First Choice Provider on the treatment date.
- If you hold a valid Pre-approval for a Recognised Provider that is not a First Choice Provider, but they are a First Choice Provider on your treatment date we will recognise the change when assessing your Claim, and the limit of the Efficient Market Price will no longer apply.

How to make a claim or pre-approval

- If they have access to the nib First Choice Portal (nibfirstchoice.co.nz/portal), you can ask your Recognised Provider to request a Pre-approval and submit the subsequent Claim on your behalf.
- You can also submit your Pre-approvals and Claims by visiting our customer portal (my nib) at nib.co.nz/portal
- Call us on **0800 123 nib** (0800 123 642).
- Email us at claims@nib.co.nz

The Policy number must be quoted for all Claims.

Supporting documentation for pre-approval and claims

Supporting documentation for Pre-approval or Claims must:

- be made in a format approved by nib;
- include a copy of the GP referral letter (if appropriate);
- include a copy of the Registered Specialist Consultation letter (if appropriate);
- Claims must be supported by original Recognised Provider invoices and / or itemised receipts on the Recognised Provider's letterhead showing their official stamp and GST number; and
- Pre-approvals must be supported by an estimate of the cost on the Recognised Provider's letterhead showing their official stamp and GST number.

Novel, experimental or more expensive treatments or procedures

We will not approve any novel, experimental or more expensive treatment or procedure, where a conventional or less expensive treatment or procedure is available that will provide the same, or a similarly acceptable, medical outcome.

This means novel or experimental treatments, procedures or equipment are not likely to be covered unless, in nib's opinion, they provide a superior outcome at a reasonable cost.

Medical report or assistance

If you need assistance to complete the Claim form, or we request a medical report with the Claim form, these will be at the Policyowner's expense. If we request additional information in order to assess the Claim, this will be at our expense.

Rapid refund and method

We will process the Pre-approval or Claim within five working days of receiving the Claim and Pre-approval form, unless further information is required. Typically we refund the Recognised Provider directly. In cases where we are refunding the Policyowner or Insured Person by direct credit, please ensure your banking details are accurate on the Claim form. We will only refund to a nominated New Zealand bank account in New Zealand dollars. If we pay to an incorrect account due to an Insured Person's error, no replacement payment can be issued until the original payment has been returned to us.

Reimbursement must be to a Recognised Provider, Policyowner or Insured Person, regardless of whether any other person has paid the invoice.

In cases where the Insured Person is deceased, Claim payment can only be made to the Recognised Provider, remaining Policyowner or the deceased Insured Person's estate.

Medications provided in hospitals

The Policy will meet the cost of the medications prescribed by the treating Registered Specialist listed under Section A to H of the PHARMAC pharmaceutical schedule (except where provided for under the Non-PHARMAC Cancer Treatment Benefit).
