

Home Loan Insurance.

Policy wording

From 29 April 2022, all references in this policy to Kiwi Insurance Limited are references to nib nz insurance limited, which is the new name of Kiwi Insurance Limited. This document may include some references that are no longer current or relevant – for example the contact details have changed and nib nz insurance limited is not a related company of Kiwibank. The cover provided by the policy remains the same.

Please see nib.co.nz for updated details including how to:

- contact nib nz insurance with an enquiry
- make changes to your policy
- make a claim

or for information on how we will resolve any complaints under the policy.

What's Inside Here.

- 15** The Policy's definitions
- 18** How to make a claim

Section 1.

Introduction to your cover

Home Loan Insurance is designed to help cover your repayment obligations in relation to your Kiwibank Home Loan account. It's available to Kiwibank Home Loan borrowers who have applied and been accepted for cover by Kiwi Insurance Limited. Home Loan Insurance is arranged by Kiwibank Limited ("the Bank") and issued by Kiwi Insurance Limited ("Kiwi Insurance", "we", "us", "our").

As a home loan borrower who is covered under this Policy you ("you", "your") will be issued with a policy schedule which provides details of your cover. This includes the home loan(s) covered, the Cover Percentage, the events that you are covered for and the maximum amounts payable in the event of a claim.

The most recent policy schedule and this document (together "the Policy") and your application(s) for cover form the basis of the insurance contract between you and Kiwi Insurance.

Home Loan Insurance provides cover for the following events:

- Death and Terminal Illness
- *Temporary Disability
- *Permanent Disability
- *Redundancy from Paid Employment

(*These events are only covered if you have selected them and they are shown on your policy schedule.)

These events are defined in section 8. They are also subject to the exclusions defined in section 7. In the event of an accepted claim, any benefits will be paid to the Bank to be credited to your Insured Loan Account(s), and any excess will be paid to you or your estate (in the event of death).

The Bank and its subsidiaries do not guarantee the obligations of Kiwi Insurance nor any products issued by Kiwi Insurance and if Kiwi Insurance declines a claim the Bank and its subsidiaries will not be liable.

Please read the Policy carefully to ensure the cover meets your needs. If you are unsure about any aspects of the Policy please contact Kiwi Insurance immediately – we'll be happy to help.

Your right to cancel

If you decide that the cover doesn't meet your needs you may cancel it at any time by notifying Kiwi Insurance – either in writing or by calling us on our toll free number 0800 222 491. There is a “free look period” of 30 days from the Start Date of Insurance stated on the most recent policy schedule and if you cancel within this period we'll refund any premiums you've paid. If you cancel outside this period, you will receive a proportionate refund of any premiums that you have paid in advance for the period after your cancellation.

IMPORTANT – your duty to be truthful

We have relied on the information you provided us to issue your Policy. If you have not been truthful or didn't provide us with Material Information in your application or if you are not truthful or don't provide Material Information when you make a claim, then we may cancel or void your Policy as outlined in section 2, and retain any premiums paid.

Statutory fund

Under the Insurance (Prudential Supervision) Act 2010 life insurers are required to have a Statutory Fund for life insurance policies. Your policy will be included in the Kiwi Insurance Statutory Fund No.1.

Section 2.

General terms and conditions of the Policy

This section contains information about the general terms and conditions applying to the Policy and all aspects of your cover. The terms and conditions that apply specifically to the individual benefits (i.e. the specific events for which you're covered), the exclusions (i.e. what you're not covered for), and how to make a claim are covered in sections 3 to 7 inclusive and section 9.

The meanings of important words and terms used throughout the Policy are defined in section 8 "The Policy's definitions".

Confirmation that you're covered

To be insured under the Policy you must:

- be a home loan customer of Kiwibank; and
- be aged between 18 and 64; and
- have applied to Kiwi Insurance for cover; and
- have been accepted by Kiwi Insurance for cover; and
- be issued with a policy schedule which details:
 - the Start Date of Insurance; and
 - the Cover Percentage; and
 - the home loan accounts to which this insurance relates; and
 - the benefit types for which you are insured; and
 - the sum insured for each benefit; and
 - the premium payment account number; and
 - the frequency that you have chosen to pay your premiums.

When your cover ends

Provided you continue to pay the premiums when due, your cover will continue until the date of your 66th birthday. Otherwise, your cover will end when any of the following occurs:

- the Insured Loan Account(s) are closed and no amount is owing to the Bank; or
- you advise the Bank or Kiwi Insurance that you wish to cancel your cover; or
- Kiwi Insurance cancels the Policy as outlined below (see the heading "Our rights to cancel or void the Policy");
- Kiwi Insurance pays a claim in respect of your Death, Terminal Illness or Permanent Disability.

If your cover ends, we will notify you in writing as stated under the 'Notices under the Policy' section below, although this is not a requirement for ending your cover.

The premium

The premium may be paid weekly, fortnightly or monthly and is charged directly to a Kiwibank account nominated by you. You may change the frequency of your premium payments or the Kiwibank account from which they are debited by notifying Kiwi Insurance.

If you have insured more than one loan account under the Policy, the premiums will be combined and charged together on the same date and charged to the same Kiwibank account.

If more than one insured person is attached to the same loan, individual policies will be issued and individual premium payments will be charged.

How the premium is calculated

The premium for each Insured Loan Account is calculated from Kiwi Insurance's premium tables on each date that a premium is due. The amount will vary each time, depending on your current age, the types of cover you have under the Policy, the balance of your Insured Loan Account(s) and/or the level of regular repayments you are required to make on your Insured Loan Account(s), as well as other factors. An indication of how your premium may change as you get older can be provided on request.

Changes to premium rates

Kiwi Insurance will not change the underlying premium rates or the methodology behind the calculation of premiums without giving you at least 60 days' written notice, with indicative information about how this will affect your premiums. If we do take this action, then the changes will apply to all Kiwi Insurance customers who have Home Loan Insurance under this policy wording, and not only to you individually. If you are not happy with the change, you have the right to cancel your cover as outlined in Section 1, and receive a proportional refund of any premiums paid in advance for the period beyond the effective date of the change. Otherwise, the change will apply to your Policy from the date specified in our written notice.

Premiums waived whilst on claim

If we accept a claim for your Death, Terminal Illness or Permanent Disability, no premiums will be payable under this Policy for the period after the date of death, or the date of diagnosis of the Terminal Illness, or the Date of Permanent Disability (as applicable).

If we accept a claim for your Temporary Disability or Redundancy, no premiums will be payable in relation to any period covered by the relevant benefit payments.

If you have paid premium(s) for a period that we subsequently agree is covered by your claim, we will refund the premium(s) paid.

Reinstatement of cover

If your Policy has been cancelled because of unpaid premium(s) you may apply to Kiwi Insurance for your cover to be reinstated. We will advise you of the information we need to consider your application and we reserve the right to decline to reinstate your cover, or to accept your application on terms and conditions that may be different to those that applied to your original Policy.

Change to the Policy's terms and conditions

Kiwi Insurance may vary the terms and conditions of this policy wording from time to time.

Any variation to the terms and conditions will apply to all Kiwi Insurance customers who have Home Loan Insurance under this policy wording, and not only to you individually. If we take this action we will give you at least 60 days' written notice. If you are not happy with the change, you have the right to cancel your cover as outlined in Section 1. Otherwise, the change will apply to your Policy from the date specified in our written notice, although this change will not affect any claim (or entitlement to claim) that arose before the effective date of the change.

Our rights to cancel or void the Policy

Kiwi Insurance may give you notice cancelling the Policy if you are behind on the payment of your premiums and have been for three or more payment dates in a row.

Kiwi Insurance may also exercise any rights it may have to cancel your Policy or treat your Policy as void from the Start Date of Insurance where otherwise permitted by law. This includes any such rights that may arise where you have:

- breached a term of the Policy; or
- made false statements or failed to disclose Material Information when applying for cover; or
- made a dishonest claim under the Policy.

Stand down periods for increased loans, additional benefits(s) and increased cover percentage

If you increase your loans or you add a benefit or increase your Cover Percentage and we agree to this, stand down periods for Temporary Disability and Redundancy benefits will recommence for the increased portion of the Insured Loan Account(s), added benefits or increased cover Percentage.

Mis-statement of age

If, when you applied for cover, you mis-stated your age:

- we may make such amendments to the premiums and benefits as are permitted by law; or
- if, on the basis of your correct age on application, you would not have been eligible for cover or would only have been eligible for cover on different conditions, to the extent permitted by law, any cover is void and our only liability is to refund premiums paid, without interest.

Notices under the Policy

You will be taken to receive any notice that we give under this Policy, if we send it to the last physical or postal address we have on our records for your Policy, whether or not it is actually received.

Section 3.

The Death and Terminal Illness benefit

Death benefit

Should you die on or after the Start Date of Insurance, we will pay the Death and Terminal Illness benefit amount as defined in this section 3, subject to the exclusions in section 7.

Terminal Illness benefit

Should you be diagnosed as Terminally Ill by a Medical Practitioner approved by us, we will pay the Death and Terminal Illness benefit amount as defined in this section 3, subject to the exclusions in section 7.

Death and Terminal Illness benefit amount

- 1. Non-Revolver Credit Contracts:** In respect of your Insured Loan Account(s) which are not Revolver Credit Contracts, we will pay the Cover Percentage of the amount equal to the total outstanding balance of your Insured Loan Account(s) as at the date of death (for the Death Benefit) or as at the date of diagnosis (for the Terminal Illness Benefit), not including any portion of the loan account not insured.
- 2. Revolver Credit Contracts:** In respect of any Insured Loan Account that is on a Revolver Credit Contract basis, the amount we will pay will be the lesser of:
 - the Cover Percentage of the amount equal to the actual amount owing on the Insured Loan Account on the date of death (for the Death benefit) or the date of diagnosis (for the Terminal Illness Benefit), not including any portion of the loan account not insured; and
 - the Cover Percentage of the amount equal to the average daily amount owing on the Insured Loan Account over the 12 months prior to the date of death (for the Death benefit) or as at the date of diagnosis (for the Terminal Illness benefit), not including any portion of the loan account not insured.
- 3. Combined maximum:** The maximum total benefit we will pay for all your Insured Loan Account(s) combined is \$500,000.

End of cover

All cover will cease under this Policy on your Death or on payment of a Terminal Illness benefit.

Section 4.

The Temporary Disability benefit

Temporary Disability benefit

If you have selected the Temporary Disability benefit, as shown on your policy schedule, and you become Temporarily Disabled for 30 consecutive days or longer after the Start Date of Insurance, we will pay the monthly Temporary Disability benefit amount as defined in this section 4, subject to the exclusions in section 7.

However, there is no cover under this benefit for Temporary Disability where the underlying condition and/or any symptoms existed or first occurred (whether diagnosed or not) before or during the first 90 days following:

- the date on which your cover commenced under this benefit; or
- the date on which your cover was increased under this benefit (although this will only exclude cover in relation to the increased portion of the benefit).

Temporary Disability benefit amount

Whilst you are Temporarily Disabled for 30 consecutive days or longer:

1. **Non-Revolver Credit Contracts:** In respect of your Insured Loan Account(s) which are not Revolver Credit Contracts, we will pay the Cover Percentage of the amount equal to the regular loan repayments of your Insured Loan Account(s), not including any portion of the loan repayment not insured, as they fall due to a maximum of \$48,000 per year (pro rata for any lesser period).
2. **Revolver Credit Contracts:** In respect of any Insured Loan Account that is on a Revolver Credit Contract basis, we will determine the amount that we will pay as follows:
 - I. We will first calculate the outstanding insured loan balance. This will be the lesser of:
 - a. the actual amount owing on the Insured Loan Account(s) on the Date of Temporary Disability to a maximum of \$500,000, and not including any portion of the loan repayment not insured; and
 - b. the average daily amount owing on the Insured Loan Account(s) over the 12 months prior to the Date of Temporary Disability, not including any portion of the loan repayment not insured.

- II. We will then treat the Cover Percentage of the outstanding insured loan balance, as calculated above, as a table home loan and calculate the monthly amount necessary to repay this over 25 years on the Bank's then current home loan variable interest rate, to a maximum of \$48,000 per year (pro rata for any lesser period).
- III. Payments will be made as per the payment frequency for non revolving credit contracts, or monthly on the final day of each month or at such other periods as may be agreed between us and the Bank from time to time.

Recurring claim

If you have suffered a recurrence of an earlier condition for which we have previously paid a Temporary Disability benefit, and this occurs within six months of the date you returned to work, we will treat any Temporary Disability caused by that recurrence as a continuation of the earlier claim. We will only do this if you provide evidence reasonably satisfactory to us, showing that the condition is a recurrence of the earlier condition. The evidence must include the opinion of a Medical Practitioner or medical specialist approved by us.

In this event the claim payments will commence immediately and the 30 day qualification period will be waived but the other limitations described below will continue.

Claim payments will stop when the total period for which we have paid the initial and recurrent claims reaches 24 months or when you are no longer Temporarily Disabled, whichever is earlier.

When your claim will begin and end

Once you become Temporarily Disabled for 30 consecutive days, we will pay the Temporary Disability benefit amount(s) as they fall due from the date we accept your claim for Temporary Disability benefit. We will back-date these benefit payments to the Date of Temporary Disability. The benefit payments will continue until the earliest of the following events:

- you are no longer Temporarily Disabled; or
- you are paid a Permanent Disability benefit; or
- you reach the age of 66; or
- the Insured Loan Account(s) are repaid and no amount is owing to the Bank in respect of them; or
- you refuse any medical or surgical treatment, or refuse to follow a suitable rehabilitation programme, as recommended for your disability or the underlying condition by a Medical Practitioner or appropriate specialist; or
- Kiwi Insurance accepts, or chooses to pay a claim under the Death and Terminal Illness benefit; or
- we have paid 24 months of benefits for the same condition.

Section 5.

The Permanent Disability benefit

Permanent Disability benefit

If you have selected the Permanent Disability benefit, as shown on your policy schedule, and you become Permanently Disabled on or after the Start Date of Insurance, we will pay the Permanent Disability benefit amount as defined in this section 5, subject to the exclusions in section 7.

Permanent Disability benefit amount

- 1. Non-Revolving Credit Contracts:** In respect of your Insured Loan Account(s) which are not Revolving Credit Contracts, we will pay the Cover Percentage of the amount equal to the total outstanding balance of your Insured Loan Account(s) on the Date of Permanent Disability (or the Date of Temporary Disability where that Temporary Disability is related to your Permanent Disability), not including any portion of the loan account not insured.
- 2. Revolving Credit Contracts:** In respect of any Insured Loan Account(s) that is on a Revolving Credit Contract basis, the amount we will pay will be the lesser of:
 - the Cover Percentage of the amount equal to the actual amount owing on the Insured Loan Account at the Date of Permanent Disability (or the Date of Temporary Disability where that Temporary Disability is related to your Permanent Disability), not including any portion of the loan account not insured; and
 - the Cover Percentage of the amount equal to the average daily amount owing on the Insured Loan Account over the 12 months prior to the Date of Permanent Disability (or the Date of Temporary Disability where that Temporary Disability is related to your Permanent Disability), not including any portion of the loan account not insured.
- 3. Combined maximum:** The maximum total benefit we will pay for all your Insured Loan Account(s) combined is \$500,000.

When your claim will end

All cover will cease under this Policy once the Permanent Disability benefit has been paid.

Section 6.

The Redundancy benefit

Redundancy benefit

If you have selected the Redundancy benefit as shown on your policy schedule, and you are made Redundant from being in Paid Employment, we will pay the Redundancy benefit amount as defined in this section 6, subject to the exclusions in section 7.

However, there is no cover under this benefit where the Date of Redundancy, or the earliest date you knew or should have known about the Redundancy or the likelihood of Redundancy, falls before or during the first 90 days following:

- the date on which your cover commenced under this benefit; or
- the date on which your cover was increased under this benefit (although this will only exclude cover in relation to the increased portion of the benefit).

Redundancy benefit amount

Whilst you are Redundant:

1. **Non-Revolving Credit Contracts:** In respect of your Insured Loan Account(s) which are not Revolving Credit Contracts, we will pay the Cover Percentage of the amount equal to the regular loan repayments of your Insured Loan Account(s), not including any portion of the loan repayment not insured, as they fall due, for up to six months, for a maximum of \$24,000 per claim (pro rata for any lesser period).
2. **Revolving Credit Contracts:** In respect of any Insured Loan Account that is on a Revolving Credit Contract basis, we will determine the amount that we will pay as follows:
 - I. We will first calculate the outstanding loan balance on which we will pay. This will be the lesser of:
 - a. the actual amount owing on the Insured Loan Account(s) on the Date of Redundancy to a maximum of \$500,000, and not including any portion of the loan repayment not insured; and
 - b. the average daily amount owing on the Insured Loan Account(s) over the 12 months prior to the Date of Redundancy, not including any portion of the loan repayment not insured.

- II. We will then treat the Cover Percentage of the outstanding loan balance on which we will pay, as calculated above, as a table home loan and calculate the monthly amount necessary to repay this over 25 years on the Bank's then current home loan variable interest rate, for up to six months, for a maximum of \$24,000 per claim (pro rata for any lesser period).
- III. Payments will be made as per the payment frequency for non revolving credit contracts, or monthly on the final day of each month or at such other periods as may be agreed between us and the Bank from time to time.

When your claim will begin and end

If we accept your claim for Redundancy benefit, the benefit payments will be back-dated to the Date of Redundancy and will continue until the earliest of the following events:

- you find paid work; or
- you reach the age of 66; or
- you do not satisfy us that every endeavour is being made to obtain paid work (this includes during your 30 day wait period); or
- the Insured Loan Account(s) is repaid and no amount is owing to the Bank; or
- we have paid six consecutive monthly payments worth of the Redundancy benefit.

You may claim more than once under the Redundancy benefit.

However, you must have returned to Paid Employment for a minimum period of six months, and the total of all claim payments under the Redundancy benefit will not exceed \$50,000.

Section 7.

The Policy's exclusions

In addition to the limitations in respect of any claim you make, as described in sections 3 to 6 of this document, Kiwi Insurance will not pay any claim arising from any of the events listed below:

All benefits

Subject to any mandatory law, including the Insurance Law Reform Act 1977, no benefit will be paid if:

- your claim is fraudulent in any respect; or
- any statement on the basis of which your Policy was issued was, for the purposes of the Insurance Law Reform Act 1977, substantially incorrect, material and made either fraudulently or within three years immediately preceding the date on which we seek to avoid the Policy or your death (whichever is earlier); or
- you fail to satisfy Kiwi Insurance's claims requirements as outlined in section 9.

Death benefit

No benefit will be paid if your death is the direct or indirect result of:

- any Pre-existing Condition; or
- any activity, health condition or other circumstance or occurrence, that is noted as being excluded on your most recent policy schedule; or
- an intentionally self inflicted injury or suicide or attempted suicide, whether sane or insane, within 13 months of the Start Date of Insurance; or
- any act of War or Terrorism; or
- your participation in any Criminal Act; or
- any alcohol or drugs taken by you (unless prescribed by a registered doctor and taken as prescribed).

Terminal Illness benefit

No benefit will be paid:

- if you refuse any reasonable medical or surgical treatment for your Terminal Illness, as recommended by a Medical Practitioner or appropriate specialist approved by us; or
- for any Pre-existing Condition; or
- any activity, health condition or other circumstance or occurrence, that is noted as being excluded on your most recent policy schedule.

Temporary Disability and Permanent Disability benefits

No claim will be paid if your Temporary Disability or Permanent Disability is the direct or indirect result of:

- any Pre-existing Condition; or
- any activity, health condition or other circumstances, that is noted as being excluded on the most recent policy schedule; or
- an intentionally self-inflicted injury; or
- any act of War or Terrorism; or
- your participation in any Criminal Act; or
- any alcohol or drugs taken by you (unless prescribed by a registered doctor and taken as prescribed); or
- your complications of pregnancy or childbirth (unless the disability lasts for more than 90 days after the end of the pregnancy).

Redundancy

No claim will be paid if:

- you have not been in continuous Paid Employment for six months; or
- you received verbal or written notification of Redundancy within 90 days of the Start Date of Insurance or date the benefit was added to the Policy; or
- you are in seasonal, part time (i.e. paid employment for less than 25 hours a week) or relief work, or are on a fixed term employment contract; or
- you have taken voluntary Redundancy or have voluntarily resigned or the closure or sale of your own business; or
- you have been dismissed; or
- you have reached the age of 66; or
- you knew about the Redundancy or likelihood of Redundancy before the Start Date of Insurance; or
- the Redundancy results from a strike or labour dispute involving you and/or your employer; or
- you are receiving a Temporary Disability benefit under the Policy; or
- you returned to continuous Paid Employment for less than six months since the previous Redundancy benefit claim.

Kiwi Insurance reserves the right to decline your Redundancy claim or limit the claim payments if you refuse any offer of employment for which you are Reasonably Suited, or you have not registered with an appropriate employment agency and do not provide ongoing proof you are actively seeking paid work.

Section 8.

The Policy's definitions

The important words and terms used throughout the Policy have the following meanings:

Accidental Injury means bodily injury caused by violent, accidental, external and visible means occurring on or after the Start Date of Insurance.

Activity of Daily Living means the following activities of the life insured

- i. bathing and/or showering;
- ii. dressing and/or undressing;
- iii. eating and/or drinking;
- iv. using the toilet; and
- v. getting in and out of bed or wheelchair.

Cover Percentage means the percentage of lending cover as shown in your most recent policy schedule.

Criminal Act means conduct that constitutes an offence, where the maximum punishment allowed by law for that type of offence is a custodial sentence or a sentence of home detention. This includes any conduct that meets the legal requirements for such an offence, whether or not the conduct results in any charges or convictions.

Date of Permanent Disability means the date you became Permanently Disabled, as confirmed by subsequent diagnosis by a Medical Practitioner or medical specialist approved by us.

Date of Redundancy means the effective date you became unemployed, where this subsequently gives rise to a claim for Redundancy.

Date of Temporary Disability means the date you became Temporarily Disabled, as confirmed by subsequent diagnosis by a Medical Practitioner or medical specialist approved by us.

Insured Loan Account(s) means the Kiwibank Home Loan accounts specified on your most recent policy schedule.

Material Information means all the relevant information that Kiwi Insurance requires, acting prudently, in order to decide the terms relating to your Policy or payment of a claim. It includes, but is not limited to, information about your health, medical history, occupation, lifestyle and income.

Medical Practitioner means a registered and qualified medical practitioner in New Zealand or in another country, as approved by us, who is not you or your business partner or another immediate family member of yours.

Paid Employment means work in which you are employed in New Zealand, by a single employer other than yourself, for at least 25 hours a week, and not employed by a company or limited partnership or other employer of which you or your immediate family have/has direct or indirect control over.

Permanently Disabled/Permanent Disability means you are entirely prevented solely as a result of your Sickness or Accidental Injury, for six consecutive months, from working in any occupation for which you are Reasonably Suited based on your experience, training and education and, the Sickness or Accidental Injury will, in all probability, prevent you from ever being able to work at any time in the future.

If you were not engaged in any occupation for financial reward, for at least 25 hours per week, as at the date of the Accidental Injury or the date on which the Sickness was diagnosed, (as applicable), Permanently Disabled/Permanent Disability means you are permanently unable to perform at least three out of five Activities of Daily Living without any assistance from another person, solely as a result of your Sickness or Accidental Injury.

Pre-existing Condition means any injury, sickness or degenerative condition existing or diagnosed, or for which you should reasonably have sought advice or treatment at, or prior to the Start Date of Insurance.

Reasonably Suited means any type of work which (in Kiwi Insurance's opinion, acting as a reasonable and prudent insurer) you could reasonably be expected to do based on your education, training or previous work experience.

Redundant/Redundancy means that you were in continuous Paid Employment for the previous six months, after the date on which your cover commences under the Redundancy benefit (as shown in your policy schedule) you become unemployed involuntarily because your position was no longer required and therefore disestablished by your employer, and your unemployment continues for at least 30 consecutive days.

Revolving Credit means any amount of your home loan that is a revolving credit account.

Sickness means any illness or disease which commences on or after the Start Date of Insurance.

Start Date of Insurance means the date on which your cover commenced as stated on your most recent policy schedule.

Temporarily Disabled/Temporary Disability means that you are entirely prevented solely as a result of Sickness or Accidental Injury from being able to work in any occupation for which you are Reasonably Suited based on your experience, training and education or if you were not working at least 25 hours per week for financial reward up to the Date of Temporary Disablement, you are unable to perform at least three out of five Activities of Daily Living without any assistance from another person.

Terminal Illness/Terminally Ill means an illness that, in the opinion of an appropriate Medical Practitioner approved by us, is likely to lead to death of the insured within 12 months from the date that opinion was provided to us.

Terrorism means the use or threatened use of force or violence against human life or property, or commission of an act dangerous to human life or property, or commission of an act that interferes with or disrupts an electronic or communication system, undertaken by any person or group, whether or not acting on behalf of or in any connection with any organisation, government, power, authority or military force, when the intent is to intimidate, coerce or harm a government, the civilian population or any segment thereof, or to disrupt any segment of the economy.

War means war whether declared or not, or any warlike activities including use of military force by any sovereign nation to achieve economic, geographic, nationalistic, political, racial or religious ends.

Section 9.

How to make a claim

If you need to make a claim against your Home Loan Insurance Policy you or your authorised representative should contact Kiwi Insurance as soon as possible and no later than six months from the event leading to your claim. Kiwi Insurance may accept claims after this date at its sole discretion, or as required to by law.

We will manage your claim in a reasonably timely manner, and will accept any valid claim that meets the requirements of the Policy, provided you meet our claims requirements under this Section 9.

You can contact us on our Helpline:

0800 222 491

We will register your enquiry, send you a claim form and let you know what additional information we'll need you to return to us with the claim form. If this includes medical information it must be provided by your GP and/or any Medical Practitioner(s) who have treated you.

You'll be required to meet the cost of providing this initial information but if further medical evidence is then required in order to assess your claim, this will be at Kiwi Insurance's expense.

The information required by Kiwi Insurance will be limited to what we reasonably consider necessary to satisfy ourselves that the conditions of the policy have been met. What we require will vary depending on the type of claim you're making and will usually include, but is not limited to:

Death:

A certified copy of your death certificate showing the cause of death.

Terminal Illness, Temporary Disability and Permanent Disability:

- Completion of an initial statement from a Medical Practitioner, usually your GP; and
- Any other supporting information we ask you for that we reasonably think will be relevant to your claim

Redundancy:

- A statement from your employer confirming that you have been made Redundant; and
- Evidence that you are unemployed, registered with an employment agency and actively seeking Paid Employment.

Kiwi Insurance Limited

Home Loan Insurance is provided by Kiwi Insurance Limited and Kiwi Insurance Limited is solely responsible for any claims under the policy. Kiwibank Limited does not guarantee the obligations of, or any products provided by, Kiwi Insurance Limited. Kiwibank Limited may receive a commission on any policy it arranges.
